Joan V. Little

Passed away at home with her family by her side. Preceded in death by her loving husband. Michael A Little SR. of 56 years.

Children:

Sons: Michael A Little JR preceded in death. Wife Trish Little  
Douglas H. Little preceded in death. Wife Judy Little

Daughter: Patricia Raubar and Husband Don Raubar. I don't know what I could have done without him!

Grandchildren: Garren Raubar, whom she had many laughs with over the years and never knew what he was going to say next! Not kidding!

Corey Raubar, would bring a smile to her face and tease as much as he could. Both of her grandchildren and cherished memories of their time with Grandma. She will be dearly missed by both. Katelyn, was there when needed most for mom. Always willing to help when called upon.

Shane Little

Great Granddaughter Quinn, Grandma's little angel. Quinn loved to show Grandma how to work her tablet, and if she didn't understand would show her how and tell Grandma how much she loved her. Two peas in a pod. The best of friends.

My mother, she never was a stranger and never spoke ill of anyone! Gentle soul, she loved her family and was the best mother one could ask for. I was lucky I had two wonderful parents.

Thank you mom for always being there.

Love you

“ I love you very much grandma and really cherished all the time we spent together and seeing you everyday. Doing puzzles and playing cards with you or going on little trips when you were able was always a blast. Watching countless reruns of those old who done it murder mysteries or some morning talk show while making you tea/instant coffee was always fun. You'd get so mad anytime they'd talk about republicans. If you knew grandma then you know exactly what I mean. Katelyn loved you with all her heart as well and thought of you as her own grandmother. She absolutely enjoyed listening to the stories you had to tell and when you spoke about grandpa. We will miss you but know that you're in a better place with grandpa and not in anymore pain. As grandma always and I mean always said. Tempus fugit (time flies in latin) and it really does. So thank you for being a part of my life.

I love you and miss you grandma

“ I will never forget you Mom Little and how you always had my back----You always made yourself available when I needed to talk to someone, and you were so loving and kind to me, and encouraging. We had great talks, walks and did fun things like visit art galleries and I'll never forget that really neat art-thing we went to uptown, in that old building, where all these artists gathered and held a show. You were always up for adventure. You were also a very gifted artist. You and Dad helped us out during difficult times, and I will always cherish our time together.

“ So sorry for your loss. Joan was truly a wonderful person with the biggest heart. She would do anything for anybody and not speak bad of anyone. She endured a lot of pain, both emotionally and physical but always had a smile. Rest In Peace with your husband and sons...
