“ Peggy was my dear friend and colleague at Cleveland State University. I moved to Houston Texas in 2002 and just have learned of her passing. She was an outstanding teacher and friend. I was hoping to get back in touch with her at this time. Perhaps Bernie will see this and contact me.

“ Peggy was one of my early role models when I decided I wanted to be a teacher. I worked with her in a summer program when I was in middle school and was beyond thrilled when I got to work with her many years later at Lincoln.

“ It is with deep sadness of learning of the passing of Mrs. Isaly. Found memories of learning from her at Cleveland State, sharing in her joy of Anna, her special qualities and her influence on making a wonderful impact on my teaching. God's Blessings to Anna, John, and the loves of her life, her grandsons.

With fond memories forever,

Steve
